GEPL MONTHLY BUZZ | FEBRUARY 2026

JAROD MANUFACTURING FACILITY – NEARING COMPLETION

We are excited to share that our upcoming manufacturing facility at Jarod is now in its final stage of development and shaping up exactly as envisioned. What began as a blueprint is now rapidly transforming into a state-of-the-art facility that will significantly strengthen our manufacturing capabilities.

The core infrastructure is nearing completion, key installations are progressing as planned, and the site is buzzing with activity as we move closer to operational readiness. This facility represents not just expansion, but our long-term commitment to scale, efficiency, quality, and future growth.

In the month of Feb, our core leadership team visited the Jarod site to review the progress firsthand. The visit was both energizing and reassuring, as we witnessed the remarkable speed and precision with which the project is taking shape. The team shares a strong sense of excitement and anticipation as we prepare for operations to commence soon.

CELEBRATING PRAJAL PARIKH – 21ST FEBRUARY

This month, we are delighted to celebrate the birthday of *Prajal Parikh, who leads our **Panel Division and Exports* with dedication, precision, and a forward-looking vision.

He plays a pivotal role in strengthening our manufacturing capabilities and expanding our global footprint. From ensuring the highest quality standards in our panel operations to building strong relationships in international markets, his commitment and strategic approach continue to drive our growth.

His calm leadership, problem-solving mindset, and focus on execution make him an invaluable part of our journey.

On behalf of the entire team, we wish Prajal a very Happy Birthday and a year ahead filled with success, good health, and new milestones — both professionally and personally.

Here's to continued growth and global achievements!

VENDOR MEET AT BHEL BHOPAL

Attended the exclusive vendor meet at BHEL Bhopal, where we engaged with procurement and technical teams to understand upcoming requirements in LV/MV Switchgears' equipment segments.

We are proud to have been presented with an award recognizing our contribution and partnership, reinforcing our credibility as a trusted supplier. The visit strengthened our relationship with BHEL and outlined clear next steps for deeper collaboration and vendor development.
